Annual Report 2018
God at work in China

“Thanks...in this training you gave I learned how to study the Bible and how to invite and bring unbelievers to the Lord so that many more souls will be saved. I will share what I have learned with others so that we can grow together.” - Guiyang

(Actual testimonies received after CP training sessions were completed.)

“I desire to learn more on how best to lead a small group and learn more of personal spiritual growth so that I will do a better job in future when I serve a youth ministry and lead small groups. Thank you for coming and teaching me.” - Guiyang

“I have a special burden for children who are hurting. During your training I learned how to tolerate with love, accept, affirm, encourage, and appreciate them. I want to start a small group ministry in my church which aims at healing children’s hearts.” - Jieyang

How great are your works, LORD, how profound your thoughts! —Psalm 92:5

“Thank God for His guidance that allowed me to learn about this book of Revelation during your training because it is very difficult to understand. After these trainings I have a better understanding.” - Huangshi

“I have a special burden for children who are hurting. During your training I learned how to tolerate with love, accept, affirm, encourage, and appreciate them. I want to start a small group ministry in my church which aims at healing children’s hearts.” - Jieyang

The LORD has done this and it is marvelous in our sight. —Psalm 118:23

2018 Ministry Highlights

• 793 pastors & church leaders were trained in 10 different cities. Thanks for praying! God keeps doing amazing things.
• Subjects taught during our Pastoral Training Seminars (PTS) included Biblical Principles of Leadership, Discipleship, Pastoral Care, Small Group Ministry, and Marriage & Family Ministry.
• Over 5,634 theological study books (313 Pastor Packs) were distributed to emerging Christian leaders in 26 different cities.
• China Partner was invited to conduct pastoral trainings in several new cities in China; we continue to pray for God’s wisdom where we should take future training teams.

Dear partner in His mission,

2018 was a fruitful year. God is working in China. This is evident with the thousands of Chinese who made commitments to Christ and the churches that continue to overflow with people curious about Jesus and His story. And we have the privilege to be a strategic part of His mission in China.

With God’s help we were able to train almost 800 Christian leaders helping them become more effective ministers of the Gospel. We are convinced that the best way to reach the lost in China is by training those who already live and work right next to them—the indigenous Chinese Christian.

This annual report shares the story of what God did in China in 2018. As you review the year with us, I trust you take a moment to praise God for all He has done. Thank you for partnering with us in God’s mission in China.

On mission with God,
