Annual Report 2020

Thanks for partnering

God continues to work in China

2020 Ministry Highlights

"Thank God for His guidance that allowed me to learn about this book of Revelation during your training because it is very difficult to understand. After these trainings I have a better understanding."
- Huangshi

"I have a special burden for children who are hurting. During your training I learned how to tolerate with love, accept, affirm, encourage, and appreciate them. I want to start a small group ministry in my church which aims at healing children's hearts."
- Jieyang

*How great are your works, LORD,
how profound your thoughts!*
—Psalm 92:5

"Thanks...in this training you gave I learned how to study the Bible and how to invite and bring unbelievers to the Lord so that many more souls will be saved. I will share what I have learned with others so that we can grow together." - Guiyang

"Amen! Amen! We are so grateful that God is good all the time. Thank you for being with us and calling us and encouraging us always. Thank you for your love! We love you and pray for you! May God bring peace in the world." - Hubei

(Actual testimonies received after CP training sessions were completed.)

This year has been very different and difficult and yet we thank God and acknowledge that He is good:

- **21 ZOOM trainings** made available to all church leaders in China. Even though we couldn't travel to China we were able to continue our training ministry.
- **5,290 books** (230 pastor packs; 23 titles per pack) distributed to

seminary & Bible school graduates in partnership with CCL in HK.

- **China Partner continues to get invited** to conduct additional pastoral trainings **all over China**; we continue to pray for God's wisdom where we should take future training teams.

The LORD has done this, and it is marvelous in our sight.
— Psalm 118:23

2020 was a difficult and yet very fruitful year. God is continuing to work in China. This is evident with the thousands of Chinese who made commitments to Christ and the churches that continue to overflow with people curious about Jesus and His story. And we have the privilege to be a strategic part of His mission in China.

With God's help we were able to continue our training ministry mostly through using the ZOOM platform. We are confident that these trainings were a tremendous encouragement to our brothers and sisters in China. We remain convinced that the best way to reach more people in China is by training those who already live and work right next to them—the indigenous Chinese Christian.

This annual report shares the story of what God accomplished in China in 2020. As you review the year with us, I trust you take a moment to praise God for all He has done. Thank you for partnering with us in God's mission in China.
