Annual Impact Report

**See Your Generosity at Work
in 2024**

Thanks for partnering

Dear partner in His mission,

We thank God for giving us a fruitful 2024. God is faithful and **it is marvelous to observe how He continues to work in China.** This is evident with the thousands of Chinese who made commitments to Christ and the churches that are filled with people curious about Jesus and His story. We feel so privileged to be a strategic part of His mission in China.

With God's help we were able to continue ministering to church leaders and pastors in China **being invited to conduct seminars in several cities.**

This Annual Impact Report shares the story of what God did in China in 2024 and how your generosity made an eternal impact. We praise Him for His faithfulness!

And **thank you** for partnering with us in God's mission in China.

2024 Ministry Highlights

We thank God for what we were ABLE to accomplish in 2024:

- We were able to **travel to China twice** to continue our training ministry in person. **We were able to equip and encourage over 200 Bible school students and lay pastors.**
- **7,733 books (407 pastor packs; 19 titles per pack) distributed** to graduates from seminaries & Bible schools in partnership with Christian Communications Limited in Hong Kong.
- We were able to **travel to Germany and Canada** speaking in churches and sharing with donors about God's marvelous work in China. We also spent some time in **Singapore to meet with Christian organizations** to discuss future plans for strategic China ministry.

The LORD has done this and it is marvelous in our sight.

– Psalm 118:23
